## *Chapel-The Lord's Prayer*

Mrs. Hart is doing a fantastic job at instructing our children in the power of prayer. Beginning with how Christ teaches us how to pray to our Heavenly Father in Matthew 5. If you are free from 8:45-9:15, you are welcome to visit and come see for yourself! Remember to have your child bring in their buddy box every 3rd Wednesday of the month!

## *Art*

We've had a great start to our year in art class! We are blessed to have many new art supplies and materials for your children this year. We have been focusing our efforts on getting reacquainted with the foundational elements of art. The kindergarten, first and second grade classes will continue this program through the entire school year. The third through fifth grade classes will split the year between foundations in art and study of American and World artists. Your children have been busy drawing, painting, sculpting, collaging and more. In a few weeks, work will be sent home as a collection of projects.
