An Amazon list has been created for all the 3-5 grade supply items. If you wish to use the list, click on the link (or copy and paste it to your browser), add the items you want to purchase to your cart and "check out." At the time the Amazon supply list was created, all the items were in stock and Prime items. Only add items to your cart that you need and feel free to change an item to a specific color or preference.
